Dear Patient/Legal Guardian of Patient:

Our practice began with one mission in mind which is to improve access to healthcare and health education for those in need. We have remained and will continue to remain true to our mission. However, the current state of the health care industry has left us strained financially. We must adapt with it in order to continue providing high quality healthcare for all the children in our community. This is the level of care that our patients have come to expect and appreciate and that we love to provide.

These are the insurances that we currently accept:

Straight Medicaid, Simply Health Medicaid, Sunshine Health Healthy Kids, Ambetter from Sunshine Health, Aetna (HMO), Cigna (HMO), United Healthcare (HMO) and patient must be assigned to the clinic. We also

accept Cigna PPO, Aetna PPO, Blue Cross/Blue Shield PPO and United Healthcare PPO
